

NATIONAL COLLEGE OF FIRE & SAFETY ENGINEERING

An Autonomous College Recognized by (Government of Maharashtra)

Diploma in Health, Safety and Environment

Every organization works hard to gain success and to be outstanding in the market. However, in this world of tough competition, any breach on safety, health and environment can become a serious hurdle to this path of success. Moreover as it is generally said that a successful business is in which all those involved are satisfied. This directly implies to safety at work and a secure environment where all those working are satisfied and work at their best.

Distance Learning:

Distance learning is a way of learning remotely without being in regular face-to-face contact with a teacher in the classroom. Every year we conduct our examinations of given courses in the month of June and December. You can join NCFSE for correspondence courses throughout the year to enhance your knowledge. The courses that we offer are highly compatible with International standards.
